Orlando, Florida (August 10, 2009) – SkillStorm, the industry's fastest-growing staff augmentation and outsourcing company providing Project Management, Engineering and Information Technology solutions, has been named one of the Top 100 Companies for Working Families by the *Orlando Sentinel*. "SkillStorm prides itself on our commitment to our employees and their families," said SkillStorm Managing Partner John Mahony. "At SkillStorm, we believe that our employees are our most valuable asset, so we want to do everything we can to create a family-friendly work environment."
